- You will mostly interact with Key Opinion Leaders and clients, mostly Innovation, R&D or marketing directors at major groups (Pharmaceutical labs, Diagnostics & biomedical companies), with whom you will create and maintain privileged professional relationships.
- You will be trained in our methodologies and benefit from ALCIMED's cumulated experience.

Profile:

- Master's degree or PhD in business, engineering or science
- Recently graduated or with initial experience
- Strong interest in the healthcare sector and interest in working at the interface between science and business
- Passion about science, marketing and innovation
- Entrepreneurial spirit
- Fluency in English and Spanish is required (reading, writing, speaking)
- Mastering French or other languages is appreciated

Personal Skills: Curiosity – open-minded– ambitious – interpersonal skills – rigor – team player – want to take part to the challenge of developing a fast-growing company

Permanent – full time contract

Ongoing recruit process

Interviews will take place in Princeton.
